John Irvine -

At the July meeting John Irvine demonstrated how he turns his ladles. This is the second time that John has demonstrated turning a ladle and I have missed both times.

The club library has a Jimmy Clewes DVD Turning the World, Jimmy goes to Norway. On this DVD Jimmy Clewes demonstrates turning a ladle and a Norwegian beer

bowl. There is a extra section that highlights the Norwegian wood turning cruise. While showing off what the cruise has to offer Jimmy had his beer bowl accented with some rose malling. I recommend checking it out.

I am attaching pictures from John's first ladle demonstration. I think they were taken by Lynn Greiner.

Turn-On! Chicago is coming up on August 20-22. I had a great time and learned a lot in Cincinnati and I am looking forward to this trip.

Ladle...

August 1st is our annual picnic. The club will be providing the main dish and drinks. Bring a dish to pass. If you would like to know what dishes are needed you can contact Roby.

Demonstrators Wanted

Anyone willing to demonstrate at the monthly meeting can contact Tom or Pete to schedule.

We have a number of talented members, so please feel free to share your talents with the club. There are some really interesting projects that members bring in each month for the show and tell table. Many of the club members would be interested in seeing how these projects are created.

Looking to try a new project like a ladle? Come to one of the mentoring workshops.
