## *Kaleidoscopes-*

I was sick and sadly missed Pete's demo for turning a kaleidoscope. This is one of the projects that I would like to try making this year. Below are pictures of a few types of kaleidoscopes and some links to some related web sites.

# Demonstrators Wanted

Anyone willing to demonstrate at the monthly meeting can contact Tom or Pete to schedule.

We have a number of talented members, so please feel free to share your talents with the club. There are some really interesting projects that members bring in each month for the show and tell table. Many of the club members would be interested in seeing how these projects are created.
