From the Woodworking shows:  
(Gibraltar Trade Center Show February 26-28)

We have something new going on this year. We will be having a competition, Show Off, at each show for local artists/craftsmen. We are asking for area craftsmen/women to bring in a piece of their work to compete with others. There will be individual prizes given at the show, and a grand prize at the end of the season. Voting is done by show attendees, over the course of the weekend. Registration is done online, at our website (first page, scroll down), and Entries Are Limited. Please encourage your members/friends to "Show Off" their skill at The Woodworking Shows!

Feel free to contact me if you have any questions.

# Demonstrators Wanted

Anyone wishing to do a demonstration at a monthly meeting, please contact Tom or Pete to setup and schedule a demonstration.

We have a number of talented members, so please feel free to share your talents with the club. There are some really interesting projects that members bring in each month for the show and tell table. Many of the club members would be interested in seeing how these projects are created.
